Foreword

Another year; another GRAYMAROON. For the Seniors, this means launching forth into a new and different world—a world in which they will seek to make their hopes, ambitions and dreams come true. We, of the GRAYMAROON STAFF, have tried within these pages to recapture the spirit of your Alma Mater—an institution which embodies Christian idealism, intellectual achievement, social development, and physical endurance. Our work has been worthwhile and valuable to the extent that this book enriches and refreshes memories of your past year at Bethel and thereby leads to a renewing of purpose and ideals as you strive toward a fulfillment of your hopes and dreams.

Dedication

To John F. Moyer, in recognition of his thirty years of devoted service to Bethel College and Christian education, we dedicate this 1951 GRAYMAROON. Mr. Moyer, a graduate of Bethel, served as professor of economics and history for seven years. For the last twenty-three years he has been Assistant Treasurer.

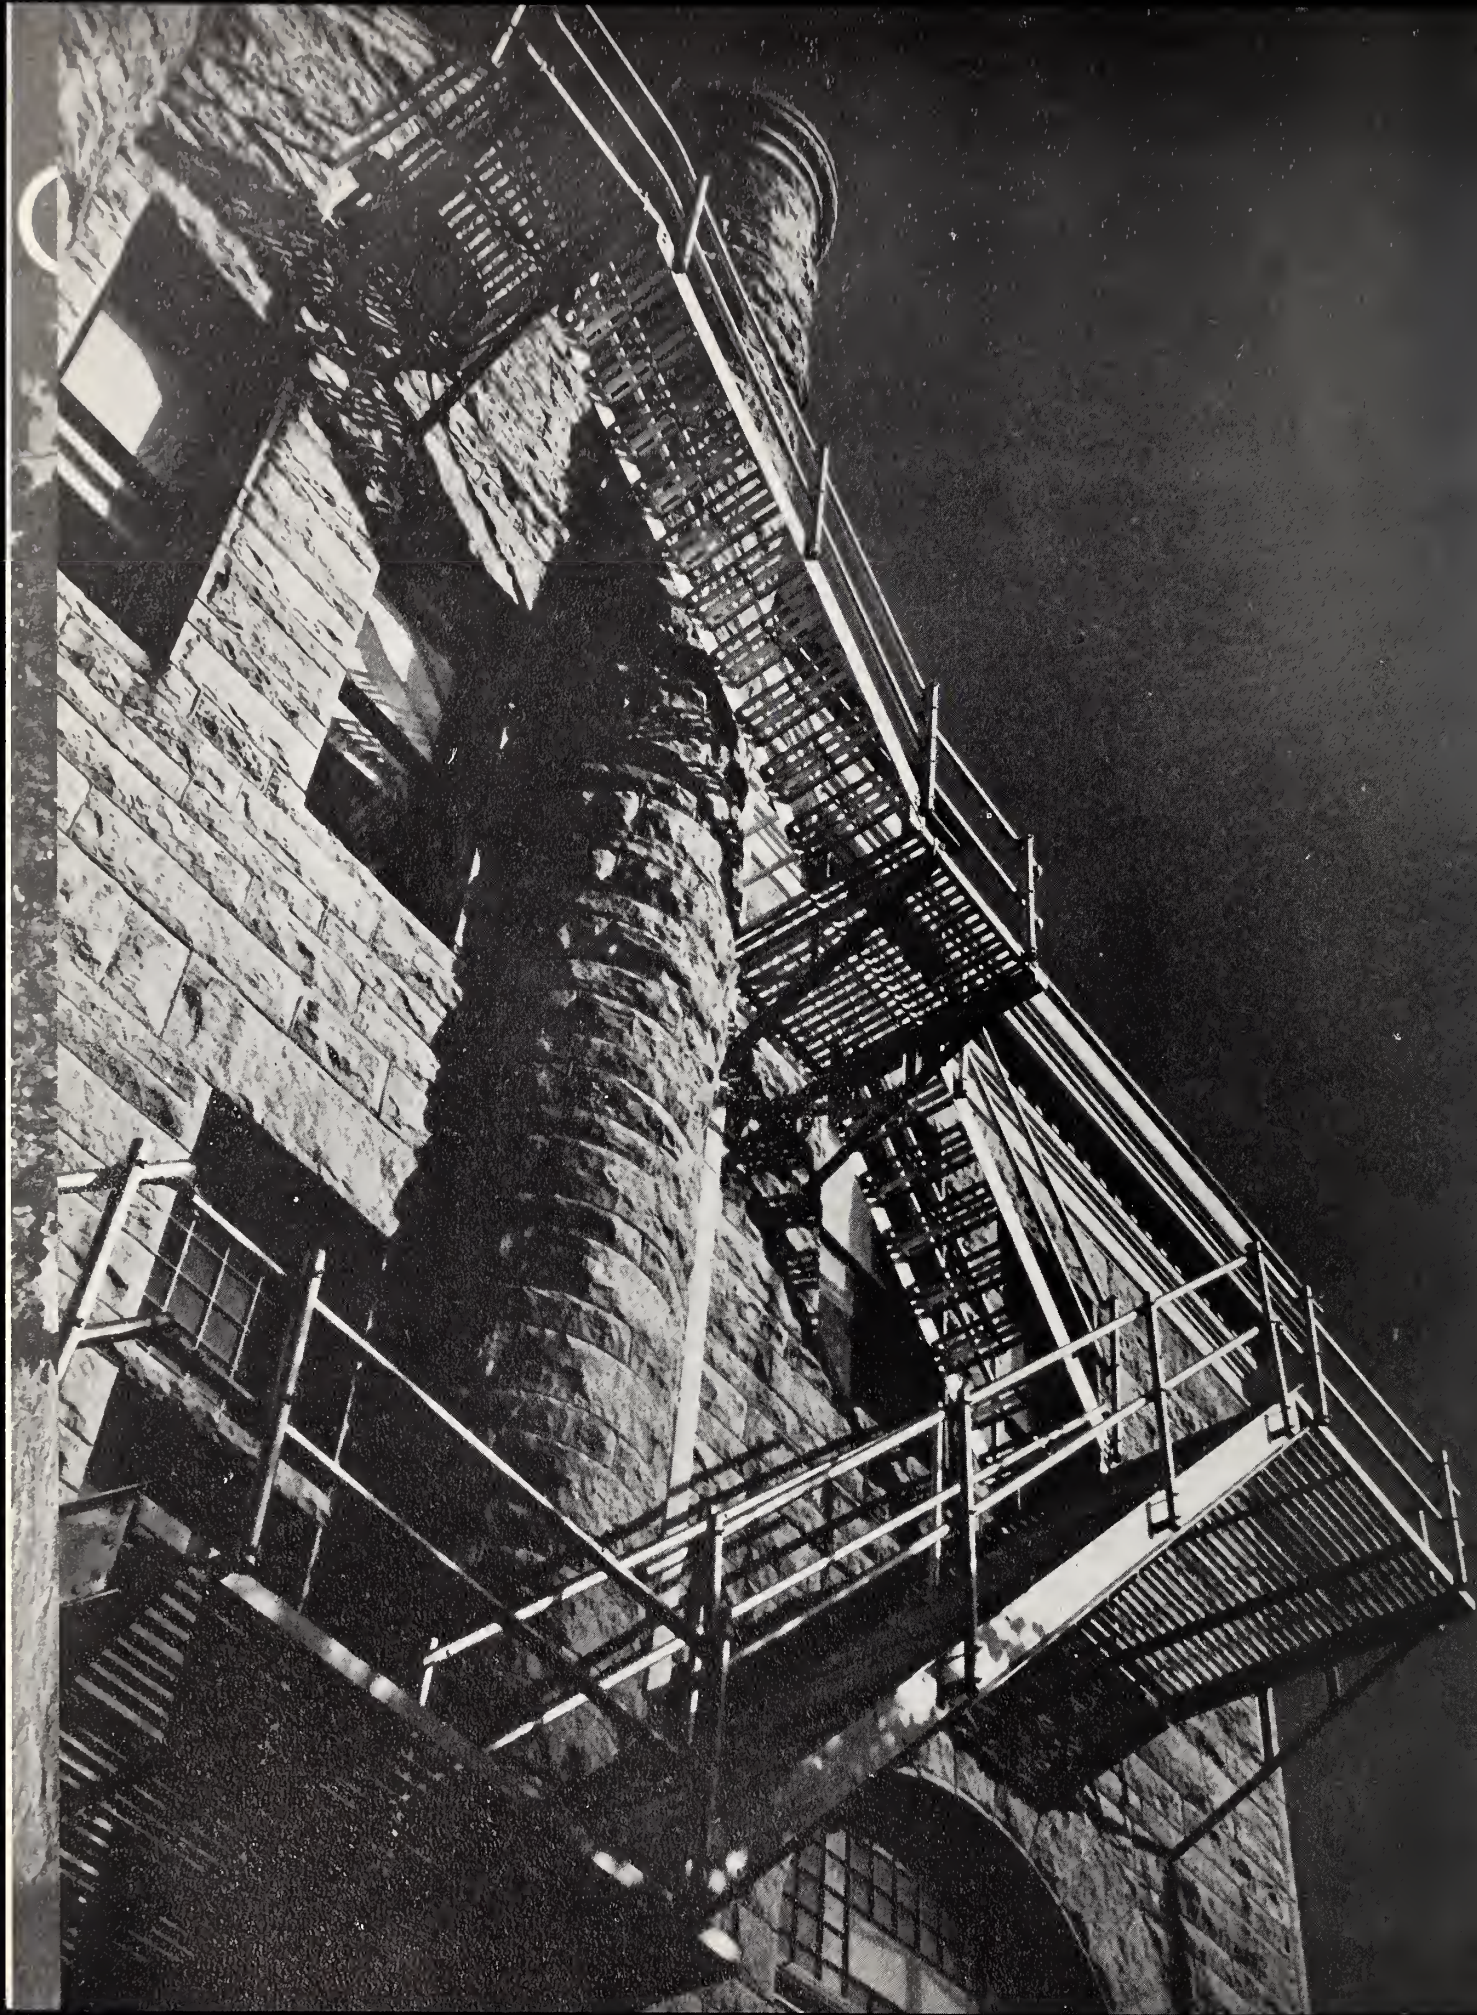

Mr. Moyer is known for his ability to get along with people; and his friendly spirit and kind personality have won him many friends. Many a former student will remember the lively twinkle in his eye as he offered a word of encouragement and cheer. His faithfulness and dependability have made him a worthy man for the position he held.

Our President

President E. G. Kaufman is now on a Sabbatical leave of absence from Bethel College for the school year 1950-51. He is spending this time at the American University at Cairo, Egypt, where he is teaching in the department of philosophy and religion.

Dr. Kaufman has been the distinguished President of this Institution for eighteen years during which time his efforts have been successfully aimed at the expansion and improvement of our College spiritually, academically and physically.

Message from the President

The great end of education is not only to promote knowledge and understanding, but to find spiritual power. The end of education in a Christian school is to make men truly conscious of God through our Lord and Saviour, Jesus Christ.

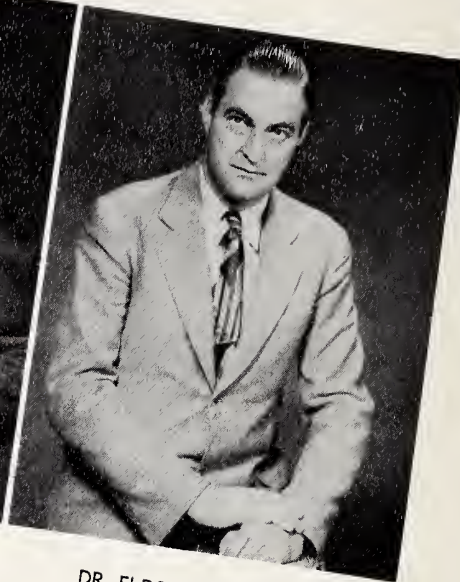

It is the purpose of the GRAYMAROON to preserve for us some of the fine experiences of days spent in college. As the years pass, we will increasingly appreciate the opportunities offered to us during our college days to build for time and eternity.

CABINET MEMBERS: Mary Ann Kraft, Jim Rich, Mary Lou Rich, Christine Duerksen, Pearl Schroeder, Dwight Platt, Lola Goering, Lamont Woelk, Marian Claassen, Ernest Goertzen, pres.; Mary Moyer, sec.-treas.; Paul Jantzen, vice-pres.; Dr. H. The Student Christian Association endeavors to promote a closer relationship between the student and God and to develop the spirit of Christian fellowship on this campus. The membership of the organization is divided into four commissions — Social Service, Christian Faith and Fellowship, Recreation, and Campus Life. Twice a month, the S.C.A. presents the Wednesday morning chapel service. On alternate Wednesdays, they meet in their respective commission groups. Throughout the year, the members have enjoyed a number of retreats.

The major project for the year was a relief drive held in early spring. Other projects included welfare work in the Methodist Children's Home in Newton, school parties at the Y.M.C.A., and an inter-racial Christmas party for Newton children.

Student Volunteers

The Student Volunteer Organization has as its special emphasis the promotion of missionary interest among the students. The organization consists of approximately sixty members interested in various types of definite Christian service. The members meet every Thursday evening for fellowship, to hear missionary speakers and to discuss problems. The Mission Rally and the two seasonal retreats each year are special highlights for the members. Prayer meetings are held three evenings a week, and extensive deputation programs are carried on in surrounding churches and hospitals.

CABINET MEMBERS: Pete Ediger, Neva Belle Kaufman, treas.; Ramon Jantz; Robert Regier; Calvin Flickinger; Amy Ensz, sec.; Arthur Isaak, pres.; Pearl Graber, Dr. Erland Waltner, faculty sponsor. Not Pictured; Kenneth Deckert.

Student Ministers

The Student Ministers' Fellowship meets twice a month to study and promote a better understanding of the task confronting a minister of the Gospel. A study of theological questions, church problems and personal work is made through formal and informal discussions. The sharing of thoughts and experiences of guest speakers and members of the Fellowship helps to unite them in the common cause of Christ and His Church.

There are approximately twenty-seven individuals on the campus who belong to the Alpha Psi Omega at the present time.

Drama Society

The Bethel College Drama Society seeks to stimulate an interest in and to cultivate an appreciation of the best in drama. It sponsors activities which will accomplish this aim. The group meets twice a month for a short business meeting and a program. The programs consist of such things as reading and recording plays, demonstrations on make-up and lighting, and outside speakers. Several one-act plays, a Christmas program, and an all-school play are sponsored by the club during the year.

Radio Club

Code, receivers, radio stations —this has been the Radio Club in action. The club has twelve members. Throughout the year the club has had outside speakers explaining the different bands and what bands can be operated for different licenses. At the meetings fundamentals of radio were presented which included the theory of electronics, oscillators, amplifiers, modulators, etc.; the club visited other stations and saw Prof. Stucky's station in operation. They also constructed radio equipment such as receivers. By the end of the year the club hopes to have a majority of the members licensed ham operators.

Forensics Society

The Forensics Society is composed of students interested in the various forms of speech work. The first part of the year, emphasis was on debate. Members also took part in giving readings in the surrounding communities.

Participation in forensics entitles one to become a member of Bethel's chapter of Pi Kappa Delta, national speech fraternity.

The activities of the Club during the school year included initiation of new members, selling football and basketball tickets, the organization of workers on the track project, and the annual Buffalo Barbecue which is held in the Spring.

Beta Kappas

The Beta Kappa Club is the pep and service organization of Bethel. The function and purpose of the club is to promote loyalty and enthusiasm in the student body. Some of the activities of the Beta Kappas include serving food at football games and ushering at programs and other school functions.

The membership consists of 10 per cent of the enrollment of girls. These girls are elected by the student body.

Collegian

The BETHEL COLLEGIAN is the voice of the Bethel Family, making its appearance every Friday during the school year with the exception of vacations and holidays. The COLLEGIAN has been published with a three-fold purpose—to inform, to express student opinion, and to entertain.

The editors-in-chief and the business manager are appointed by the Student Council, to assume their duties during the spring quarter. They in turn appoint their assistants.

Planning, editing, re-writing, writing headlines, paste-up, proofreading, financing, late hours—all go into the making of a student publication. Thanks to responsible assistants and willing reporters, the work has been well distributed.

Graymaroon

GRAYMAROON pictures to schedule, copy to type, page layouts to plan and draw, dummy master-sheets to paste, advertising to solicit, and the impending deadline to meet—these were the trials and tribulations of the Graymaroon staff last fall as we started a task which was new to most of us.

Publishing the GRAYMAROON entails much work, worry and responsibility for the staff. But we have had fun in working together and have received a worthwhile educational experience. It is our hope that the 1951 GRAYMAROON may prove worthwhile and valuable to you.

The editor, Dwight Platt, and the business manager, Donald D. Goering, were selected by the Student Council from candidates nominated by the Junior Class. Appointments to remaining positions on the staff were made by these two students.

Special thanks go to Paul Jantzen, Gerald Schmidt, Ellen Reusser, Stuart Pankratz, and Bill Gering who assisted the business staff in soliciting advertising. Special recognition and appreciation is accorded to Bob Regier, our staff artist, and Kenny Hiebert, our staff photographer, for their immeasurable contribution in page layouts, art work, and photography. The LaVerne Friesen Studio of Buhler, Kansas, took the individual faculty and student portraits.

A Cappella Choir

The A Cappella Choir's reputation for excellent singing in the realm of sacred music is spreading farther each year. Dr. Walter H. Hohmann, founder and director of the organization, again this year has moulded an impressive group.

On the campus and in many surrounding Mennonite communities the choir has fulfilled many duties. A summer tour is also planned each year—this year to the West Coast where people of many denominations will join together to hear the fine program of sacred choral music.

Men's Quartet

MEMBERS: Walter Siemens, Ken Krehbiel, Wesley Unrau, Bob E. Unruh

Another active musical organization on our campus is the Men's Quartet under the direction of Dr. David Suderman. Activities of the Quartet include high school assembly programs, programs in various churches as well as appearances at school functions throughout the year. The Quartet also often combines its efforts with the Ladies' Trio in doing college solicitation work.

Ladies' Trio

The Ladies' Trio, under the direction of Miss Rosella Reimer, performs many activities similar to those of the Men's Quartet. In addition to good will work for the college, the girls have sung at various social organizations on the campus and in Newton.

MEMBERS: Lucille Kaufman, Marietta Rogers, Lois Eitzen.

String Ensemble

Mr. Lowell Adams, a new member on the music faculty this year, is the director of the String Ensemble. During the year the group has performed at various school functions. Providing music before play productions and for formal banquets was their particular specialty. They also performed in the orchestra which accompanied soloists and chorus in the annual rendition of Handel's Messiah.

MEMBERS: Dallas Wiebe, Lois Gering, Gordon Dyck, Marianne Neufeld, Norma Neufeld, Helen Ruth Jantzen.

Debate

This year's Debate Squad has been a busy group. The four members of the group have traveled to many places to enter various tournaments, both national and regional. They entered the Southwestern Tournament held at Emporia, Kansas; the Kansas Colleges Tournament; and the National Tournament held at Oklahoma City, Oklahoma. Besides these they debated in tournaments at Lincoln, Nebraska; Kansas State College at Manhattan, Kansas; and McPherson, Kansas. They were also hosts to a debate tournament held on our own campus. In all of these activities our debaters have had very fine records.

MEMBERS: Gladys Pearl Schmidt, Mary Moyer, Pete Ediger, Elmer Neufeld.

Senior Class Play

CAST: Allen Linscheid, Gladys Pearl Schmidt, Lynette Waltner, John Harshbarger, Art Isaac, Kenneth Arlo Voth, Ernest Goertzen, Mary Moyer, Gerald Schmidt, Randy Hohmann, Elmer Neufeld, Victor Krehbiel, Mary Lou Rich, Harold Thieszen, Janis Krehbiel, Curtis Janzen, Mildred Claassen, Don Harder, Bruno Epp, Richard Siemens, Delbert Goering, Members of the Bethel College A Cappella Choir.

As their final play production at Bethel, the Senior Class presented the well-known play by Thornton Wilder, "Our Town," on the evenings of November 3 and 4. W. T. Wilkoff was director of the play.

"Our Town" depicts typical small town life. The story tells of the Gibbs and the Webbs and their many friends as they go through the trying days of youth, marriage, and death. The poignant beauty of the story is enhanced throughout by the pantomime work of the various characters. The play attempted to recapture all of the charm of small town life and its people at the turn of the present century.

Junior Class Play

CAST: Eldon Bargen, LaVerna Buller, Lola Fern Voth, Don Goering, Ben Sawatzky, Lamont Woelk, William Schroeder, Edwin Smith, Bernice Franz, Dorothy Andrees, Sara Marie Ensz, Eleanor Claassen, Calvin Flickinger, Jesse Krehbiel, Helen Martens, Roland Ensz.

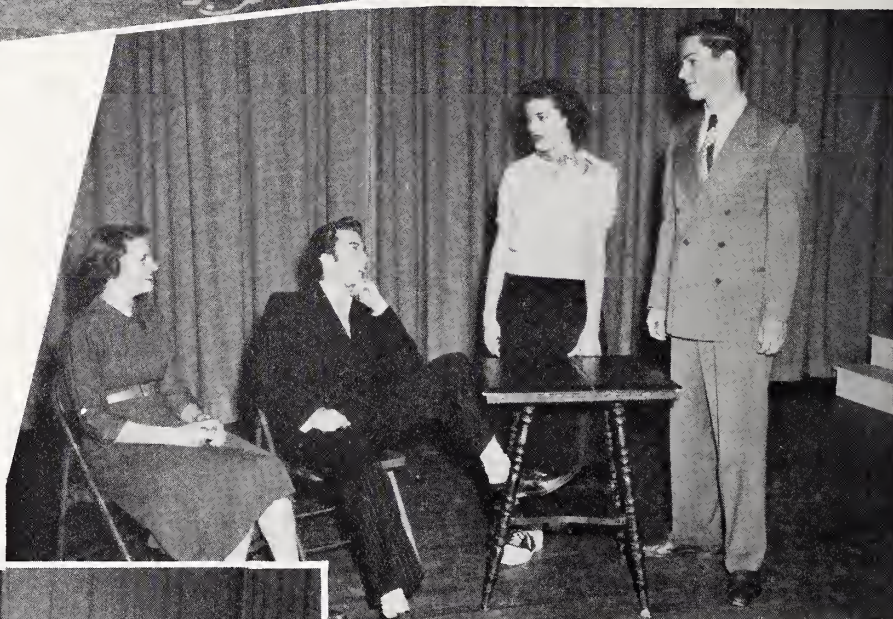

"Cheaper By the Dozen," a comedy dramatized by Perry Clark from Frank B. Gilbreth, Jr. and Ernestine Gilbreth Carey's popular novel, was presented by the Junior Class on February 2 and 3, under the direction of W. T. Wilkoff.

The poignant life story of the Gilbreth family of Montclair, New Jersey, has been translated into a tender humorous play. The statistically minded father has his trials and tribulations getting his nine older children to understand the need for time and motion study and grade skipping. To top it all off his three oldest daughters shock him by proclaiming their desire for silk hose and dates. The mid 1920's make a perfect background for this rollicking comedy.

One-Act Plays

LEFT: "Nobody Home" cast; Rita Graber, Don Hostetler, Ruth Baer, Delton Franz, Don J. Harder, Marilyn Deckert.

On Saturday evening, January 13, the Dramatics Society and Alpha Psi Omega presented the Second Annual Night of one act plays, sponsored by the Department of Speech and Drama of Bethel College. Featured on the program were three plays. The first was "Bread," a modern sociological drama. Following this was a play entitled "Don't Be Technical" and the last one was "Nobody Home." Each play was directed by a student who chose his own play and cast.

November 4 marked Bethel's twenty-second annual day of homecoming festivities. The Queen, her attendants and crown bearer, Winifred Waltner, in an open convertible led the colorful and decorative parade of floats and cars from the campus to the Athletic Park. There the large crowd of alumni, friends, faculty members and students witnessed an impressive ceremony in which the football players were ushered onto the field by Beta Kappa members to the waiting Royal Party where the Queen received her crown and the Co-Captain received the football. The end of the Wheat Bowl Classic football game found Bethel at the short end of a 23 to 0 score piled up by a powerful College of Emporia team. Climaxing the day's activities was the homecoming banquet with Harold Duerksen as toastmaster and A. J. Graber of Wichita the guest speaker.

Cheerleaders

CHEERLEADERS: Jo Goering, Harold Lohrentz, Bill Dunn, Barbara Rubin, Annie Thimm, Dick Stucky.

Credit for the added zest to the pep and spirit at our games this year goes to the cheerleaders and members of the pep band. The cheerleaders were faithful in leading our cheers at all our home games as well as several of those away from home.

Working alongside the cheerleaders was the pep band which was organized this year by members of the student body who had the initiative, energy, and enthusiasm for providing appropriate music at our home football and basketball games. Bob Regier, Paul Nachtigal and Don Franz held the positions of director, president and manager respectively.

MEMBERS: Edgar Dalke, Cora Duerksen, Don Franz, Chet Flickinger, Lloyd Gaiser, Lois Gering, Catherine Graber, Harvey Hiebert, Neva Belle Kaufman, Paul Nachtigal, Lola Nickel, Stuart Pankratz, Bob Regier, Elfrieda Rempel, Ilene Schroeder, Norma Voran, Vera Voran, Bonnie Zerger.

Ruth Ann Brandt's Team Two won the championship title in the girl's intramural basketball tournament with a record of three wins and no losses. Tied for second place was Ellen Reusser's Team Four and Lucille Franz's Team Five, each with a record of one win and one loss. Elizabeth Unruh's Team One and Berne Linscheid's Team Three landed at the bottom in the tournament standings.

The Campus Kids were the ultimate victors of the boy's intramural basketball league tournament. Having achieved the first place standing in the Maroon League, they defeated the Multi-Maulers, champions of the Grey League, in the final play-off.

Intramural Volleyball Champions

BACK ROW: Dorothy Unruh, Ruth Ann Brandt, captain; Bonnie Klassen.

MILE RELAY TEAM MEMBERS: Gerald Schmidt, Edgar Dalke, Cal Flickinger, Ray Ewy.

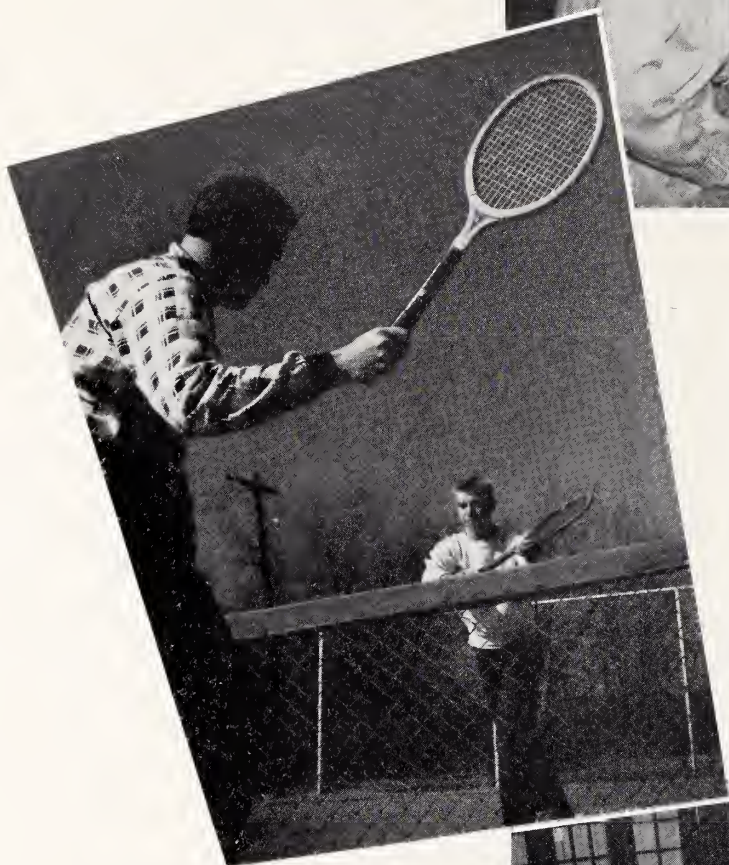

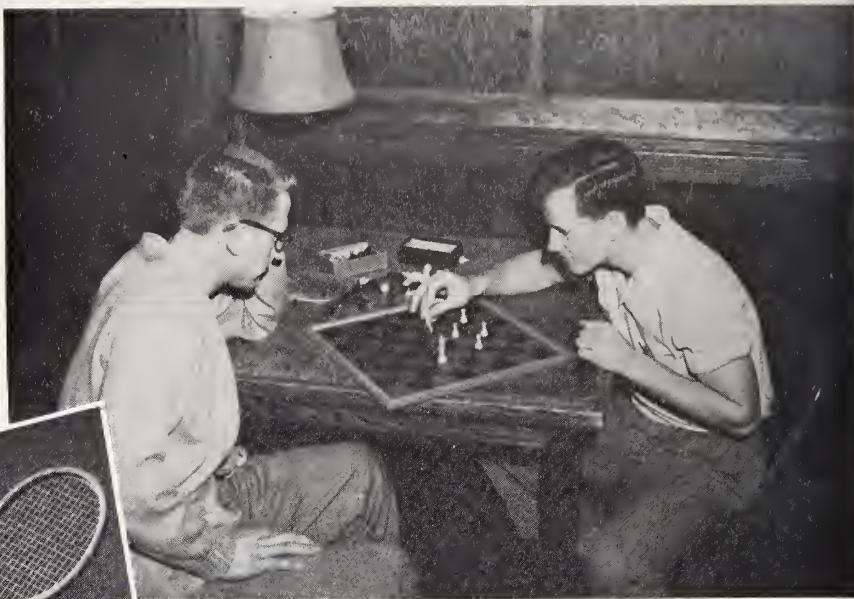

As this book goes to press, the track season is just beginning. From this outlook, however, we have the material for a winning track team. We include on this page pictures of last year's track season in which Bethel's team made some fine records even though they came in sixth in the conference track meet. The mile relay team took first at the conference track meet winning the cup while Gerald Schmidt took second in the 440 yard dash.

School records were broken in these two events—the relay team running the mile in 3 minutes, 31 seconds; and Gerald Schmidt running the 440 in 51.2 seconds.

Minor Sports

Participation in non-academic activities helps students express hidden skills and interests. This past year, the Student Union Room was the scene of many enthusiastic and concentrative games of chess as well as numerous active and exciting games of ping pong. Tennis players found the warm, spring days a wonderful excuse to leave their books for a tough competitive game of tennis. This active sport was good exercise in limbering up the winter's "dry bones".

Other sports participated in by Bethel students include checkers, horseshoes, badminton, and archery. Many of these sports were the object of tough intramural struggles.

Chimes

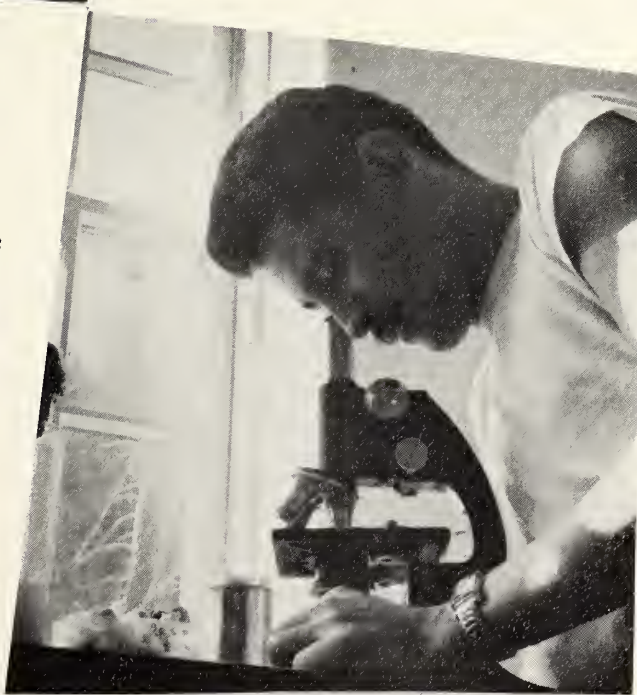

At Bethel, an attempt is made to provide a balanced program of worship, study, entertainment, work and play. Through these various phases of activity, Bethel College develops Christian character, strong bodies and alert minds. The atmosphere at Bethel is conducive to the development of strong useful Christian citizens of society. How well Bethel succeeds in this area can only be seen by looking into the lives of its graduates.

study

The principal aim of every student while he is in college should be to gain an education. Study therefore takes a primary place in his life. We learn from the experiences of the past through the study and reading of books, from our teachers in the classroom and through experimentation with new truths in the laboratory.

worship

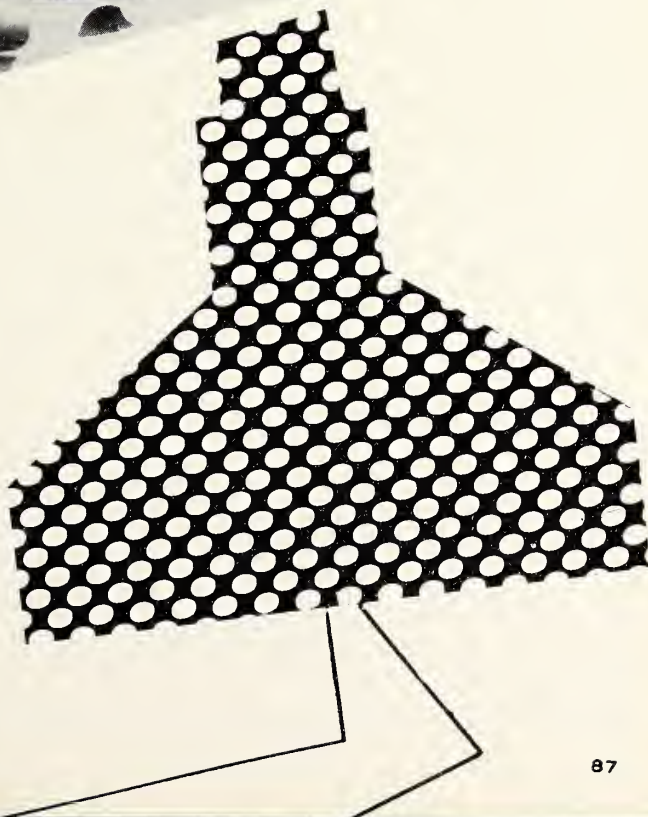

Chapel

Bethel College attempts to give worship a central place in its program. Chapel programs set the tone for the day four times a week and ties the Bethel family together; and a unification of spirit is enabled by worshipping together. Prayer meetings and personal devotional periods as well as the more formal types of meetings provide meaningful experiences in the lives of Bethel students.

Church

The Bethel College Church serves as a church home for faculty members and friends of the college as well as for many students while they are on the campus. Students also take advantage of the opportunity of attending other worship services in the various churches of the community.

diversion

Each year Bethel College provides a varied program of entertainment for the students and the community. The Memorial Hall Series provides cultural entertainment at a reasonable price. This past year, the series consisted of five fine numbers: The Coro Hispanico, Spanish singers from the Island of Majorka, under the direction of Juan Maria Thomas; The Little Singers of Paris, a boys' choir under the direction of Father Maillet; Ferrante and Teicher, duo-pianists; Howard Cleaves, well-known naturalist and photographer; and the Westminster Choir under the direction of John Finley Williamson. Other wholesome diversion on a high level has been provided throughout the year and has included the hilarious Farcity Review, the inspiring Christmas Pageant and the great music of the Messiah Chorus.

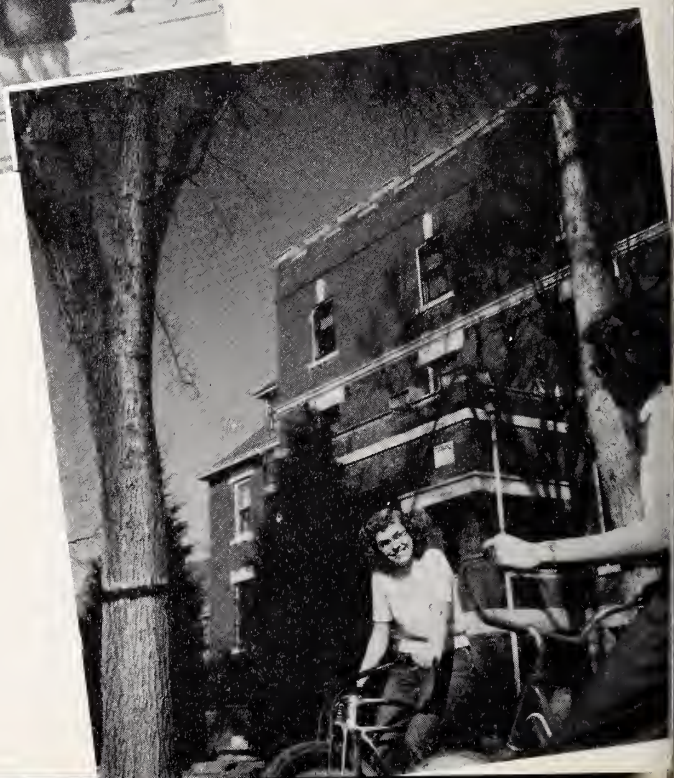

Christmas Pageant Scenes

play

Hours spent in play and fellowship with other students are always a memorable and pleasant picture of college days. Essential to college life is the relaxation provided by a game of ping pong, checkers, tennis or chess. The many enjoyable evenings of recreation such as Bethel night at the Newton Skating Palace, folk games, game night at the Y.M.C.A., and numerous other parties will be long remembered by students who participated.

work

Work is also an essential part of school life as preparation for living. Harold Duerksen, president of the Student Council, gave much time and effort in heading the program of student employment for those who needed or wanted work. Jobs on the campus for the students included work on the building projects, work in the various offices, general maintenance of buildings and grounds, and work in the dining hall. Jobs off the campus included work on neighboring farms and employment in business concerns and private homes in Newton.

Inaugurated for the first time this year was a Student Work Day when all students and faculty members obtained employment in the surrounding community. The proceeds from their work went to the Family Project which was fixing up the track.

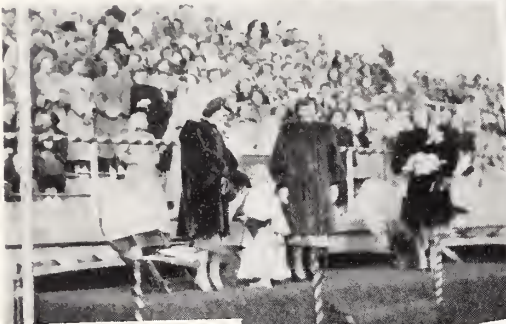

Another unforgettable day in the life of every Bethel student is Fall Clean Up when students and faculty members alike dress in their old clothes and armed with rakes and bushel baskets give the leaf-strewn campus a face lifting.
